### GENERAL

- I understand that motorsport is hazardous, and I am voluntarily exposing myself to risk of damage or loss or personal injury by participating in a track event. I understand that the purpose of the event is to allow the participants to improve their skills and learn the handling characteristics of the solo motorcycle or motorcycle sidecar outfit they are using. I am aware that other track users will have varying levels of competence and my own riding must take this into account.
- I understand that any insurance carried by Duke Track Days Ltd. and/or the event location operator in respect of any liability which might arise out of the track event will be limited, and that my own solo motorcycle or motorcycle sidecar outfit, third party and public liability insurance (if any) is unlikely to cover me for my losses, liabilities or personal injury.
- No pillion passengers are allowed on motorcycles
- There is no scrutineering. All participants must ensure their motorcycle is fit for the purpose. Should your motorcycle fail and cause an accident then I understand I may be held liable for that accident.
- No timing devices are allowed. This includes timing beams and transponders
- I am responsible for the way in which I use the track, and for wearing appropriate protective clothing. These must be full leathers, either one piece or two piece fully zipped around the waist, suitable gloves and full face helmet.
- Marshals will observe me on track and if I, or my solo motorcycle or motorcycle sidecar outfit, infringe any relevant rules or regulations or appear dangerous I may be excluded and lose track time. I understand that the payment(s) I have made to Duke Track Days Ltd. will not be refundable under these circumstances.
- All track discipline is under the auspices of the Clerk of the Course whose judgement is final.
